Our Work

Our Projects across diverse industries, companies and geography with strict adherence to high quality and time.

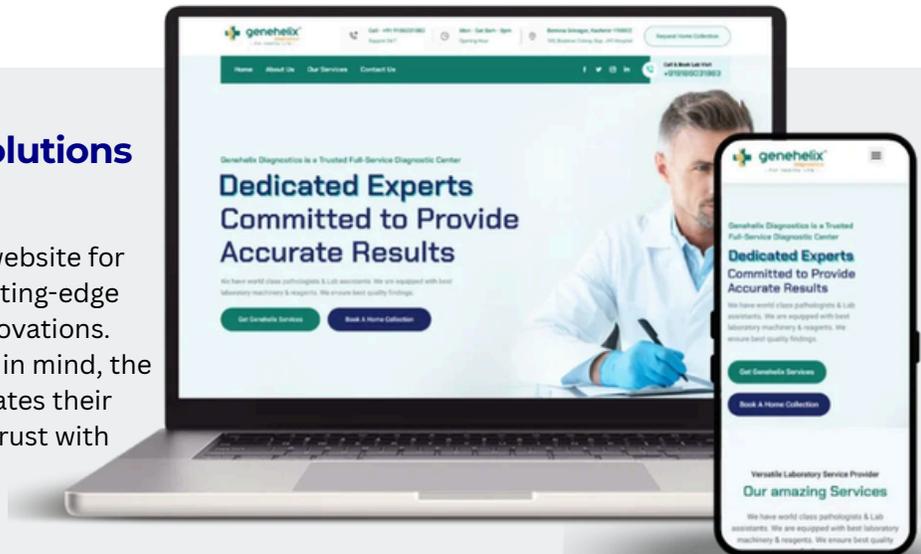

Blan-Q Space – Real Estate

We developed a modern and high-performance website for Blan-Q Space, enabling seamless property discovery and showcasing their premium real estate services. The platform delivers an elegant digital experience aligned with their luxury brand.

GeneHelix – Biotech Solutions

We developed a clean, modern website for GeneHelix to showcase their cutting-edge biotechnology services and innovations. Designed with clarity and usability in mind, the platform effectively communicates their scientific expertise and builds trust with partners and clients.

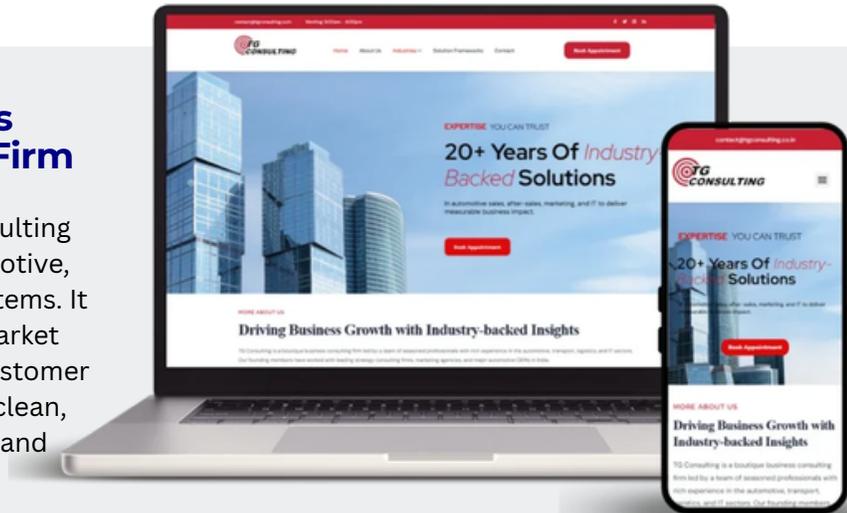

Fresh View Global – Corporate Website

We built a professional, responsive website for Fresh View Global that clearly communicates their services, values, and global reach. The site features intuitive navigation, modern design, and clean presentation to help build credibility and engage visitors.

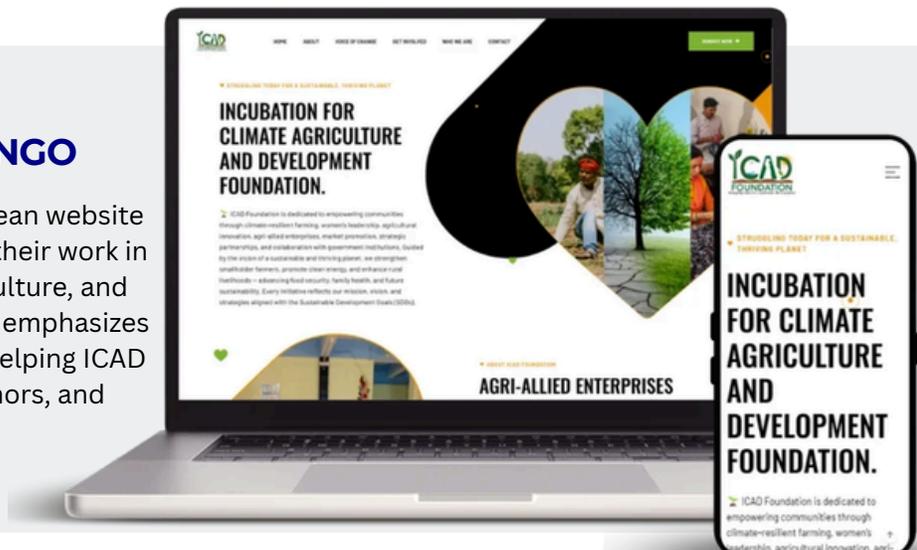

TG Consulting – Business Transformation & Strategy Firm

We built a tailored website for TG Consulting that highlights their expertise in automotive, logistics, IT, and channel partner ecosystems. It showcases their strategic services—market research, performance improvement, customer experience, and execution—through a clean, credible design with clear navigation and impactful messaging.

ICAD Foundation – NGO

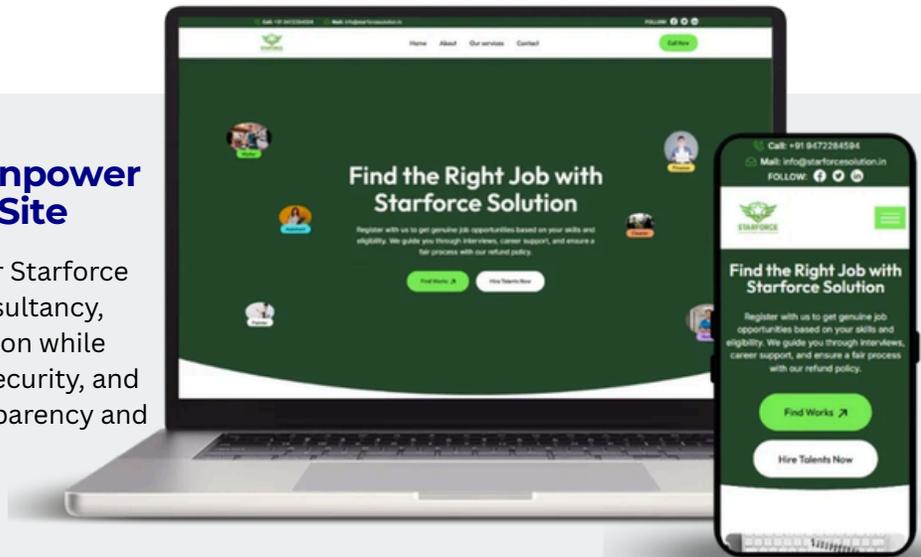

We delivered a purpose-driven, clean website for ICAD Foundation, highlighting their work in climate action, sustainable agriculture, and community development. The site emphasizes clarity, impact, and accessibility, helping ICAD connect with stakeholders, donors, and partners effectively.

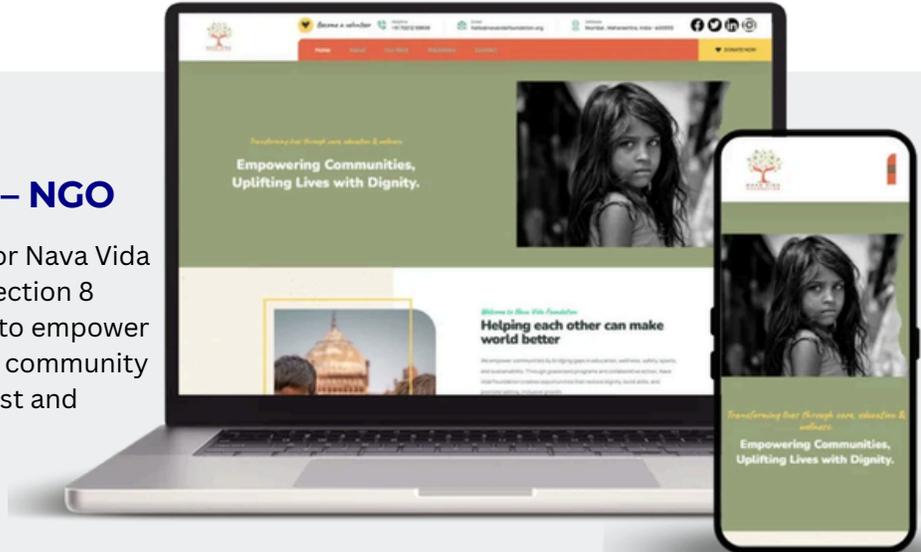

Starforce Solution – Manpower & Job Consultancy Site

We built a professional website for Starforce Solution, a Patna-based job consultancy, streamlining hiring and registration while showcasing services like staffing, security, and housekeeping with a focus on transparency and compliance.

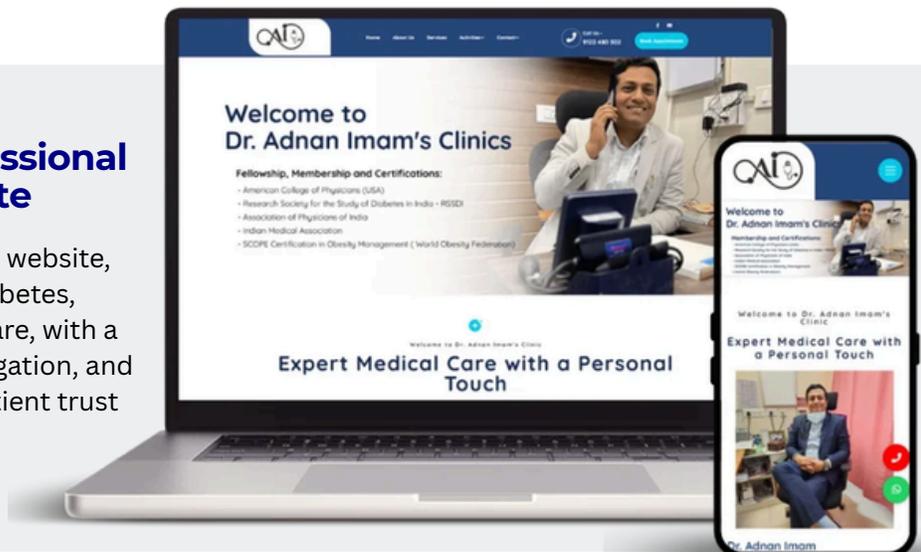

Nava Vida Foundation – NGO

We created a user-centric website for Nava Vida Foundation, a Mumbai-based Section 8 company, showcasing their mission to empower youth through education, skills, and community engagement while building trust and collaboration.

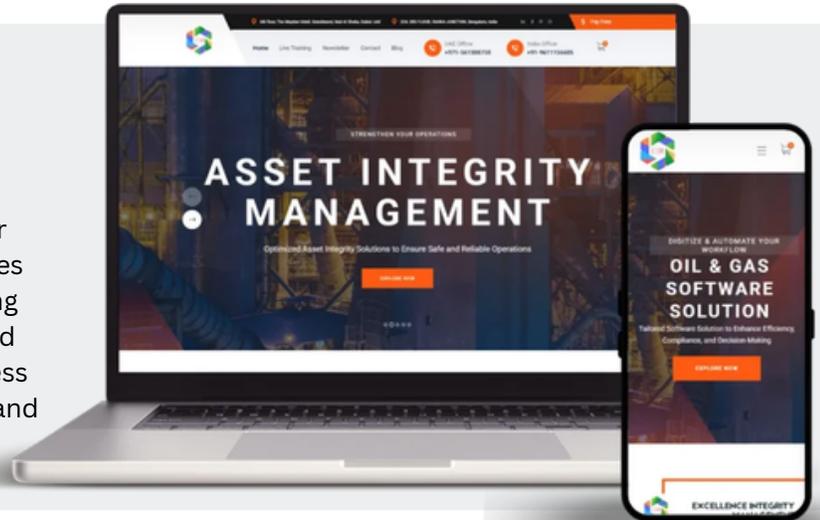

Dr Adnan Imam – Professional Healthcare Website

We built Dr. Adnan Imam's official website, showcasing his expertise in diabetes, cardiology, thyroid, and obesity care, with a clean, responsive design, easy navigation, and appointment booking to boost patient trust and engagement.

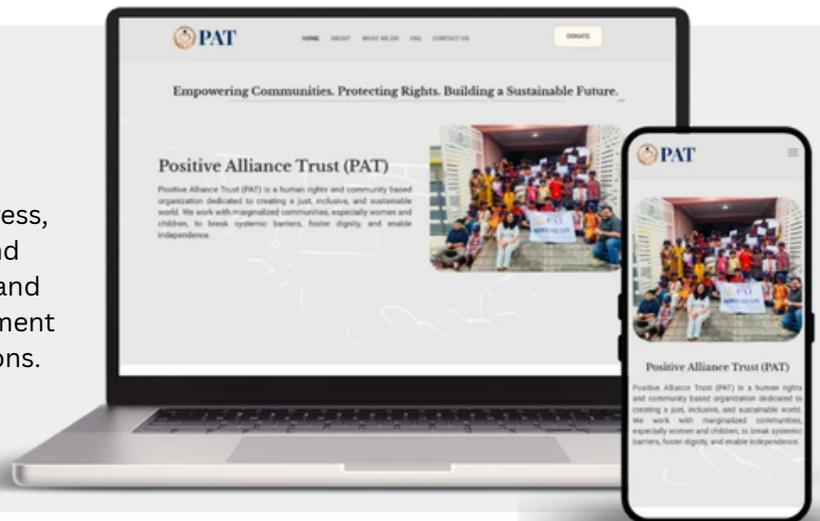

Excellence Integrity Management – Industry

Developed by Nazra Software, this site for Excellence Integrity Management showcases custom HR resourcing, professional training programs, asset integrity management, and workflow automation. Clean design, seamless UX, mobile-responsive, and built to engage and convert.

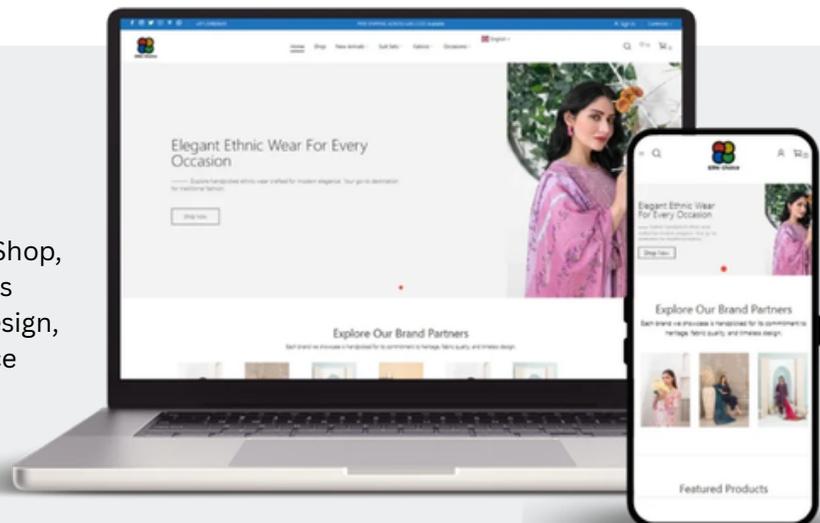

Pat India – NGO

We built the Pat India website on WordPress, featuring a clean, responsive design and seamless navigation to support women and children's welfare, reflecting our commitment to impactful NGO-focused digital solutions.

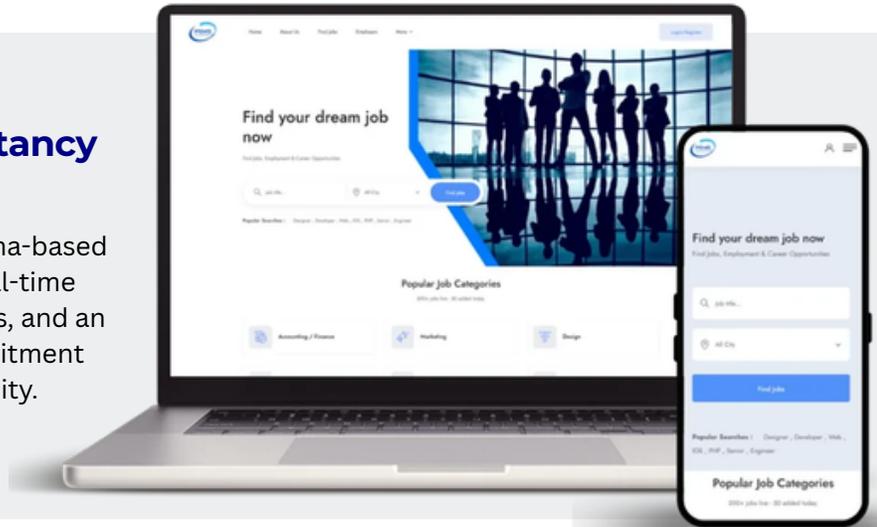

Elite Choice Shop - eCommerce

We designed and developed Elite Choice Shop, an eCommerce platform with seamless browsing, secure checkout, responsive design, and optimized performance to enhance shopping and boost conversions.

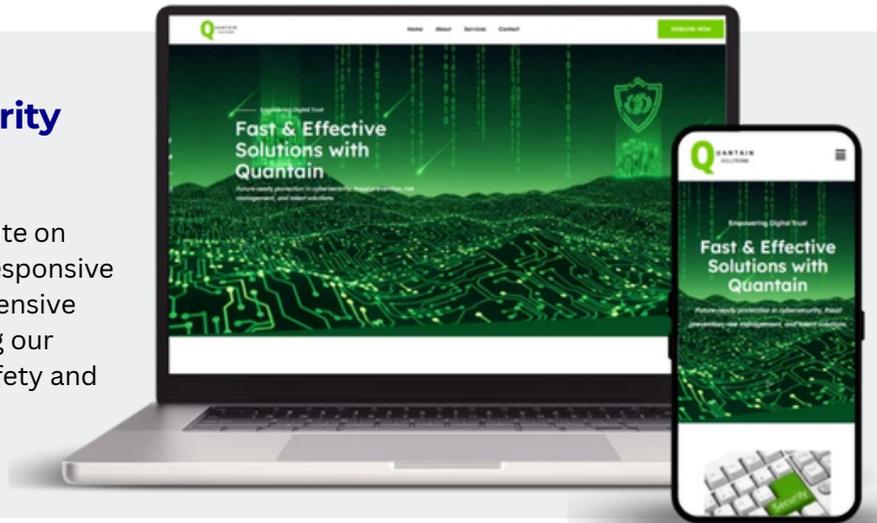

ProfitSwipe - Job Consultancy

We built the ProfitSwipe website, a Patna-based job portal on WordPress, offering real-time listings, personalized recommendations, and an intuitive interface to streamline recruitment and connect talent with opportunity.

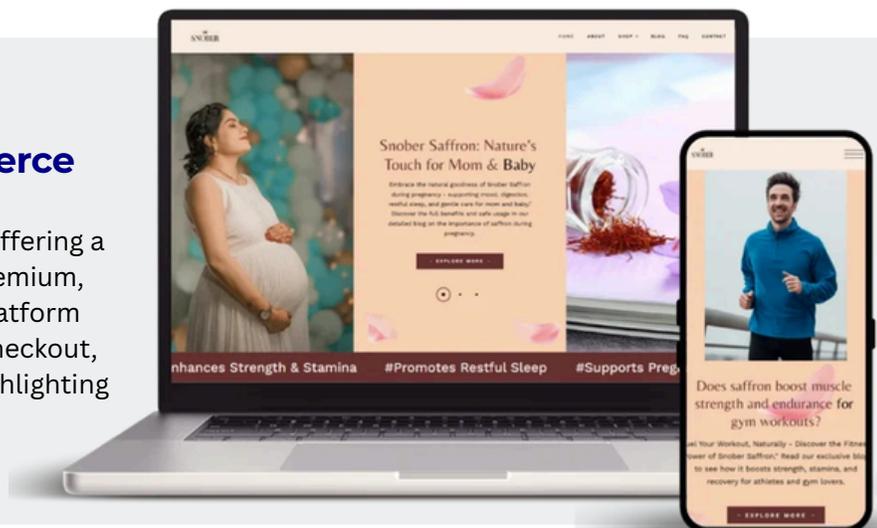

Quantain – Cybersecurity Solutions

We developed the Quantain website on WordPress, offering a user-friendly, responsive platform that showcases comprehensive cybersecurity services, reflecting our commitment to enhancing online safety and protection.

Snober Saffron – Ecommerce

Snober Saffron e-commerce website, offering a seamless shopping experience for premium, lab-certified Kashmiri saffron. The platform features intuitive navigation, secure checkout, and engaging product presentation, highlighting quality and authenticity.

Our Services

Website Development

We build robust, responsive websites that provide seamless performance across all devices. Whether you need a simple business website or a complex e-commerce platform, we create tailored solutions that meet your business goals and ensure a smooth user experience.

Website Design

Our web design services focus on crafting visually stunning and user-friendly websites. We prioritize aesthetics, branding, and functionality to deliver a design that not only looks great but also reflects your business identity and engages visitors effectively.

Digital Marketing

Our comprehensive digital marketing services help businesses grow by reaching the right audience through multiple online channels. From content creation and email campaigns to PPC and social media advertising, we design marketing strategies that increase your online presence and drive customer engagement and conversions.

Search Engine Optimization (SEO)

We enhance your website's visibility with advanced SEO techniques, helping it rank higher on search engines. Our strategies include keyword research, content optimization, and technical SEO audits to ensure your website attracts organic traffic.

Social Media Marketing

Our social media marketing services help you build a strong online presence on platforms like Facebook, Instagram, LinkedIn, and more. We create engaging content, manage your profiles, and implement targeted campaigns that drive brand awareness, increase followers, and generate leads.

Graphic Design

We provide creative graphic design services for all your business needs, including logos, brochures, banners, and social media graphics. Our designs are tailored to reflect your brand's identity, making sure your message is visually compelling and leaves a lasting impression on your audience.
